# Headmaster's welcome

**K**nysna and Plettenberg Bay are fast becoming the choice destination of the Garden Route and it is my pleasure to welcome you to the Oakhill Waterfront Chukka Festival. Knysna continues to grow as a holiday destination but more importantly it is also growing as a wonderful place to raise a family. It is unique in so many ways and the natural beauty of the area is unsurpassed. The Waterfront Chukka Festival is unique in its own way as it is the only open-water water polo Festival in Africa and all the participants will certainly enjoy the unique water polo pool in the Knysna Waterfront and I would encourage them to enjoy building friendships and to savour the moments as they compete against schools from around the country.

There is much being said in our country at the moment about our differences and team sport has a wonderful way of uniting and drawing together the beauty of our diversity and it is wonderful to be able to welcome students and their parents from all around South Africa. Please take advantage of our hospitality, relax and enjoy yourselves and do not hesitate to ask our staff should you have any queries or require any assistance.

Knysna Tourism's office is also to be found in the main street opposite the mall, should you wish to enquire about the area.

Teachers continue to make an enormous difference in schools, with their passion and dedication toward the young men and women in their care and my sincere thanks go to all the staff who accompany their schools and for giving their pupils this wonderful opportunity to learn and grow. I would particularly like to thank Ian Melliar our MIC of water polo, Garth Turvey, our Director of Sport and Terri Pautz the Festival Organiser and their team for putting together this wonderful programme and for ensuring that everyone has a rewarding experience.

Enjoy the relationships you build with players from other schools and most of all ensure that you enjoy the experience.

Yours sincerely

## Director of Sport message

**W**e would like to welcome all schools to the beautiful town of Knysna and to this unique Water Polo festival.

I am sure there are going to be many highs and lows over the weekend as teams and coaches reach or fall short of goals they have set.

We must, however, remember that our main priority for this weekend is to give each and every player an experience of a life-time, by playing the game in the right spirit and allowing life-long friendships to be made.

We, at Oakhill, would like to thank all those who have worked so hard to make this

festival possible.

We wish all teams well over the weekend. Hopefully, together, we can continue to grow the popularity of this wonderful game.

Yours sincerely

Garth Turvey  
DIRECTOR OF SPORT
