# Head of School's welcome

Dear Friends

Welcome to Knysna and the Oakhill U15 Waterfront Chukka Festival. The Chukka Festival has grown in popularity since its inception and we are delighted to host the first ever Oakhill U15 Waterfront Chukka Festival this year. Welcome to returning schools who have enjoyed the U19 Oakhill Waterfront Chukka Festival before, as well as those who are here to experience the magic in our unique water polo pool for the first time. Schools from around the country are represented here and we trust that the rivalry in the pool will translate into friendship out of the water.

This event is called a festival for a reason. It is much more than a competition and it is, therefore, a pleasure to welcome parents and friends who have travelled from around the country to support the players. We sincerely hope that you will enjoy the abundance of natural beauty, adventure and places of interest in the Garden Route. Please take advantage of our hospitality and do not hesitate to ask our staff, should you require any assistance.

Behind every participating team at this festival are coaches and managers who are inspired by their passion for young people and this beautiful sport. They deserve our sincere thanks for affording their pupils this opportunity to learn and grow. I would particularly like to thank Brendan Keevey, the Director of College Sport, Liam Bell, the MIC of College Water Polo, and Terri Pautz, the Festival Organiser, for their efforts to make this event a reality. They are a fantastic team of people who worked tirelessly to ensure that everyone has a rewarding experience. Thank you!

Finally, I want to encourage each player, coach and spectator to participate in the spirit of true sportsmanship. Play hard and fair. Be humble in victory and dignified in defeat. Have fun! The real triumph lies in being able to say, 'We have done our very best!'

Let the festivities begin!
