Head of Prep's welcome

On behalf of Oakhill School and the beautiful Garden Route, I am delighted to welcome no fewer than 16 schools to this, our 9th annual Oakhill Waterfront Chukka Festival.

Thank you to all the schools and children for their participation and for joining us for this unique event. We are delighted to welcome old friends back to Knysna and look forward to making new friends as we get to know others who have joined us for the first time.

For a number of years now we have enjoyed an ever improving standard of play. This progression is as a result of the enthusiasm, dedication and hard work of the players as well as the tireless efforts and passion of the coaches and managers. Thank you to the coaches, managers and parents who accompany the teams and who make these great opportunities and experiences possible.

By respecting and appreciating our teammates, our coaches, our opponents and the officials (and by having fun) we will be embracing the true spirit and goal of this festival.

“One man practicing sportsmanship is far better than one hundred teaching it” (Knut Rockne)

We ask all spectators to enjoy the wonderful play on display but to avoid being too critical of the faults of those players and officials who make this game possible and for whom water polo remains fun and something to be cherished.

This special event is made possible through the amazing efforts of some very special people. I would like to thank Dylan Langheim, our MIC of water polo, our acting Prep School Director of Sport, Lumko Mart, our grounds and marketing teams and Terri Pautz, the Festival Organiser for all they have done in preparation for this event.

I wish you all everything of the best for the festival and trust that you will enjoy the weekend and share many happy experiences as we celebrate water polo together.
