Head of College's welcome

Welcome to the 9th annual Oakhill U19 Waterfront Chukka Festival.

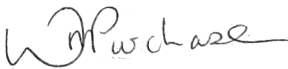

It is great to see some familiar faces and we extend a warm welcome to schools attending for the first time this year.

The Oakhill U19 Waterfront Chukka Festival is a very unique event as it is the only water polo festival played in the open tidal waters of South Africa. In addition, its setting at the vibrant Knysna Waterfront creates an exhilarating atmosphere for participants and spectators alike.

The Oakhill U19 Waterfront Chukka Festival was purposefully designed as a festival to create a conducive environment where players, teams and coaches can grow and learn. In light of this, we want to encourage participants to play hard but fair and most importantly enjoy this unique experience.

I would particularly like to thank our College Director of Sport, Brendan Keevey, our MIC of water polo, Liam Bell, our Maintenance Manager, Zolani Jenteza and Terri Pautz, the Festival Organiser for their efforts to make this event a reality. They have a fantastic team of people who worked tirelessly to ensure that everyone has a rewarding experience. Thank you!

We hope you enjoy your time here in Knysna and make the most of our beautiful surrounds.
