

7 March 2024

Dear Parents, Guardians and Caregivers,

Winter Co-Curricular change over - 11 March 2024

Thank you to everyone who contributed to the success of the Term 1 Co-Curricular Programme. We are extremely proud of all of our teams and players for their achievements this term. Thank you to our coaches who continue to go above and beyond the call of duty.

The Winter Co-Curricular Programme begins on Monday 11 March, and every student is expected to participate in at least one winter co-curricular activity.

MTB

All learners who partake in MTB need to supply their own mountain bike, helmet and closed shoes

Co-Curricular Communication

We urge parents to download the Oakhill Co-Curricular Application and add the communities that their child will belong to. Using the application, parents and students will continue to stay informed about news, schedules, co-curricular activities, practice times, and notifications in an effective and efficient manner. The Co-curricular App and the instructions on how to download this can be found by clicking here: <https://oakhill.co.za/oakhill-calendar/>. Click on the [How to Guide – Oakhill Co-Curricular Application](#).

Additionally, the school calendar continues to be our primary source of information about events taking place within the school community. Please consult the calendar on the school website often.

We look forward to another exciting season of growth through sports.

Yours sincerely
