Sport Results

U13 Netball Tour

Our recent netball tour proved to be a fantastic and rewarding experience for our U13A team. Over the course of the weekend, the team played six matches, securing an impressive four wins and demonstrating both determination and growth in every game.

What stood out most was not only the results, but the remarkable development shown by each player.

The girls displayed excellent teamwork, resilience, and sportsmanship, and it was wonderful to see their confidence grow with every match. From strategic play to skill execution, their progress across the weekend was truly commendable.

A special highlight for the team was debuting our new U13A school sweaters. The girls wore them with pride, thoroughly enjoying the opportunity to represent and showcase our school name and badge - it was a moment that truly added to the sense of unity and team spirit throughout the tour.

As a pre-season tour, this experience was invaluable in preparing the team for the season ahead. It provided opportunities to build combinations on court, strengthen team connections, and embrace the spirit of competitive netball in a supportive and positive environment.

We are incredibly grateful to our dedicated parents for their enthusiastic support from the sidelines. Your encouragement and presence added so much to the experience and meant a great deal to the players and staff alike. We return from the tour feeling proud, inspired, and excited for the season ahead.
